# Financial Summary FY2023/24

# What is the Audit?

The Audit serves as a snapshot of T'Sou-ke First Nation's financial position for the fiscal year ending March 31, 2024, which runs from April 1 to March 31. It involves a systematic and independent examination of the organization's books, accounts, statutory records, documents, and vouchers. This process provides an objective assessment of the financial statements produced by management, enhancing their credibility and increasing accountability to the Band Membership from Chief and Council. Additionally, conducting the Audit is a yearly requirement for major funders, including Indigenous Services Canada (ISC), Canada Mortgage & Housing Corporation (CMHC), and First Nations Health Authority (FNHA). The T'Sou-ke First Nation Chief and Council have engaged Song Hu and her team at Uvision Chartered Professional Accountants, located at 1A-5401 Hamsterly Rd., Victoria, BC, to carry out the Audit of the Nation's financial statements.

# **Independent Auditor's Report**

The Auditor will provide an Unqualified or Qualified Opinion. In the Financial Statements of March 31, 2024, we have received a Qualified Opinion.

## What does this mean?

- Unqualified opinion: or clean opinion; financial statements present fairly in all material respects, the financial position, and results of the entity.
- Qualified opinion: the financial statements contain material misstatements or omissions.

## Why have we received a Qualified opinion?

- T'Sou-ke First Nation holds investment in business enterprises (Government Business Enterprise) which includes Daxet Development Corporation (DDC) and a consolidation of financial information of DDC is to be recorded within our statements. The audited financial statements of DDC from March 31, 2022-2024 were not made available or provided to TFN therefore the auditor was unable to determine whether adjustments were required to the investment.
- Chief and Council have been working with our Auditor and the DDC Board of Directors to rectify the issue and obtain the necessary financial information.

# Sections of the Audit

There are five sections to our Audit.

# **Section 1.** A Consolidated set of the Statements based on Canadian Public Sector Accounting Standards for Posting Purposes

- This Section is included at the end of this Annual Report.
- The full document of Section 1. can also be found at the First Nation profile section of the ISC website.

# **Section 2.** A Schedule of Remuneration and Expenses (Chiefs and Councils) & (Unelected Senior Officials)

- This Section is included as per the First Nations Financial Transparency Act that was put into place March 27, 2013, and is included at the end of this Annual Report.
- The purpose of this Act is to enhance the financial accountability and transparency of First Nations by requiring the preparation and public disclosure of their audited consolidated financial statements and of the schedules of remuneration paid and expenses reimbursed to a First Nation's chief and each of its councillors—acting in their capacity as such and in any other capacity, including their personal capacity—by the First Nation and by any entity that, in accordance with generally accepted accounting principles, is required to be consolidated with the First Nation.
- The full document can also be found at the First Nation profile section of the ISC website.

## **Section 3.** A Schedule of Revenue and Expenses Required by ISC

• This Section can be reviewed at the Administration Office. (Please contact our Finance Manager Sandra Sprinkling)

# **Section 4.** A Schedule of Receipts and Disbursements Required by BC First Nations Gaming Revenue Sharing Limited Partnership

• This Section can be reviewed at the Administration Office. (Please contact our Finance Manager Sandra Sprinkling)

## **Section 5.** A Financial Statement of the CMHC Housing Program.

- This program is run based on the CMHC Operating Agreements. We currently hold 1 Operating Agreement for Phases IV - IX of housing. The mortgages are also held with CMHC.
- This subsidized program allows us to set the rents based on our budget calculations

35

- for the year ensuring that budgets are balanced. Rent increases have been put into place over the last year as we are working to catch up on deficits as due to the hold off during COVID-19 and extreme price increases. Any deficit has been covered by the Operating Reserve account but now has since been depleted.
- Song has also provided and Independent Auditor's Report for the Section 95 Social Housing Operation of T'Sou-ke First Nation.
- A detailed look at the Statement of Revenues and Expenses for the Operating Agreement can be viewed in the Administration Office.
- The T'Sou-ke First Nation also holds Ministerial Guarantee Loans for individuals who qualify for mortgage through a financial institution. The band has a contingent liability of (see Statements in Office for amount) for these various on-reserve housing loan guarantees.

## **Government Business Enterprise Investment**

The Nation's Government Business Enterprise Investment consists of the following, with a 100% interest:

- The Daxet Development Corporation: (DDC) The purpose of the DDC is to participate in business opportunities generated by economic and resource development activities.
- **Slikel Environmental Corporation:** The purpose of Slikel is to participate in business opportunities on the Marine side of business. A Board of Directors has been established, but no business was completed in this fiscal year.
- Thuna Meh Mun-Ah Holdings Inc. & Xa'xe Temexw Holdings Ltd.: These are bare trustees holding lands on behalf of the First Nation
- T'Sou-ke is also one of 5 First Nation aggregate Shareholders of Salish Straight Seafoods Ltd. (holding 20% shares) which was put together under DFO's (Department of Fisheries & Oceans) PICFI (Pacific Integrated Commercial Fisheries Initiative) for Commercial Fishing Enterprises to obtain licenses to fish for profit and provide training opportunities to our membership.

## **Government Business Partnership Investment**

The Nation's Government Business Partnership Investment consists of the following, with a 99.99% interest:

- Qemqomet Development Limited Partnership: Operating as Cek Snanet
- **Neka Sol Woodlot Limited Partnership:** utilized for the business of the woodlot and its harvesting.

• **TXIT Shellfish Corporation** (with TXIT Oysters Ltd. As the General Partner) running the business of the oyster farm.

More information regarding TFN's Investment in First Nation Business Enterprises can be found under the Notes to Consolidated Financial Statements point 5.

# **Financial Position**

The funding agreement requires ISC to assess our financial position. Overall, by our assessment our adjusted financial ratios have been deemed favorable.

- Liquidity = 1.57 (Less than 0.90 is considered Unfavourable.)
- (Liquidity Ratio calculates whether TFN has assets sufficient to cover liabilities. It measures TFN's short-term financial health. ISC's benchmark is 0.90. TFN's current year's is 1.57, which is favourable and indicates good short-term financial health.)
- Sustainability (Net Debt) = 1.86 (Less than 0.50 is considered Unfavourable.) (Sustainability Ratio calculates whether TFN's ability to service operational and capital obligations over the long term. It measures TFN's long-term financial health. ISC's benchmark is 0.50. TFN's current year's is 1.86, which is favourable and indicates good long-term financial health.)
- Working Capital to Revenue = 0.33 (Less than -0.08 is considered Unfavourable.)

Note: These ratio calculations are estimates only. ISC's calculations may vary from ratios stated above.

If you would like to review the March 31, 2024 Audit and its schedules in more detail, Sandra would be happy to make arrangements for you to view it at the Administration Office. Please contact us via phone or email.

## MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of T'Sou-ke First Nation and all the information in this report are the responsibility of management and have been approved by the Chief and Council of T'Sou-ke First Nation.

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The T'Sou-ke First Nation Council maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Band's assets are appropriately accounted for and adequately safeguarded.

The T'Sou-ke First Nation Council is responsible for ensuring that management fulfills its responsibility for financial reporting and is ultimately responsible for reviewing and approving the financial statements. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditors' report. The Chief and Council takes this information into consideration when approving the financial statements for issuance to the Members. The Chief and Council also appoint the engagement of the external auditors.

The consolidated financial statements have been audited on behalf of the members by Uvision Professional Corporation, in accordance with Canadian public sector accounting standards (PSAS). Uvision Professional Corporation has full access to, and meet with the management to discuss audit findings.

## INDEPENDENT AUDITOR'S REPORT

To the Members of T'SOU-KE FIRST NATION

Report on the Consolidated Financial Statements

#### Qualified Opinion

We have audited the consolidated financial statements of T'SOU-KE FIRST NATION (the First Nation), which comprise the consolidated statement of financial position as at March 31, 2024, and the consolidated statements of operations, changes in accumulated surplus, changes in net financial assets (debt) and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2024, and the consolidated results of its operations and consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards (PSAS)

#### Basis for Qualified Opinion

T'SOU-KE First Nation holds investments in two entities, Qemqomet Development Limited Partnership (Operating as CEK SNANET CENTER) and Daxet Development Corporation. The audited financial statements for these two entities were not available at the audit report date. We were unable to satisfy ourselves by alternative means concerning the financial information. Therefore, we are unable to determine whether adjustments are required to investment in First Nation business entities, earnings(loss) from investment in First Nation business entities, surplus(deficit) and accumulated surplus.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the First Nation in accordance with ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

#### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with PSAS, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

POWELL RIVER, BC 4699 Marine Avenue, V8A 2L2 T 604-499-8080 2

42

Independent Auditor's Report to the Members of T'SOU-KE FIRST NATION (continued)

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting
  and, based on the audit evidence obtained, whether a material uncertainty exists related to events or
  conditions that may cast significant doubt on the First Nation's ability to continue as a going concern.
  If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's
  report to the related disclosures in the consolidated financial statements or, if such disclosures are
  inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to
  the date of our auditor's report. However, future events or conditions may cause the First Nation to
  cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of these consolidated financial statements

## 1. NATURE OF OPERATIONS

T'Sou-ke First Nation (the "First Nation") is located in the province of British Columbia, and provides various services to its band members. T'Sou-ke First Nation includes the First Nation's members, government and all the related entities that are accountable to the First Nation and are controlled by the First Nation.

## 2. SIGNIFICANT ACCOUNTING POLICIES

### (a) Basis of presentation

The consolidated financial statements are the representation of management, prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of Canada and including the following significant accounting policies.

### (b) Reporting entity and basis of consolidation

The consolidated financial statements reflect the assets, liabilities, revenues, and expenses of entities which are controlled by the First Nation. Controlled entities are consolidated, except for government business enterprises and government business partnerships, which are accounted for by the modified equity method. All inter-fund and inter-organization transactions and balances have

been eliminated on consolidation.

(a) Consolidated entities:

The First Nation has consolidated the assets, liabilities, and results of operations for the following entities:

- T'Sou-ke First Nation Government Administration
- T'Sou-ke First Nation Trusts Fund
- T'Sou-ke First Nation CMHC Social Housing Program
- (b) Investment in government business enterprises and partnerships:

The First Nation records its investments in government business enterprises (GBE) and government business partnerships (GBP) on a modified equity basis. Under the modified equity basis, the GBE's and GBP's accounting policies are not adjusted to conform with those of the First Nation and inter-organizational transactions and balances are not eliminated. The First Nation recognizes its equity interest in the annual earnings or loss of the GBE's and GBP's in its consolidated statement of operations with a corresponding increase or decrease in its investment asset account. Any dividends or other cash distributions that the First Nation may receive from the GBE's and GBP's will be reflected as deductions in the investment asset account.

The First Nation's government business enterprise investment consists of the following, with a 100% interest:

- Daxet Development Corporation (Originally T'Sou-ke Development Corporation)
- Slikel Enviromental Corporation

## 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

- Thuna Meh Mun-Ah Holdings Inc.
- Xa'xe Temexw Holdings Ltd. (This company is a bare trustee holding lands on behalf of the First Nation.)
- Salish Strait Seafoods Ltd.

The First Nation's government business partnership investment consists of the following, with a 99.99% interest:

- Qemomet Development Limited Partnership (Operating as CEK SNANET CENTER)
- Neka Sol Woodlot Limited Partnership
- TXIT Shellfish Corporation (with TXIT Oysters Ltd as the General Partner)
- (c) Investments that are accounted for using the cost basis of accounting:

Investments in entities in which the First Nation does not control individually or jointly are recorded at acquisition cost. If there has been an other than temporary decline in the value of an investment, the investment is written down to its net realizable value. Investments in entities in which the First Nation does not control but has joint control or significant influence in operations are accounted for, similar to government business partnerships, using the modified equity method.

BC First Nations Gaming Revenue Sharing Limited Partnership

### (c) Cash and cash equivalents

Cash and cash equivalent include balances with banks and short-term investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

(d) Investments

Investments are recorded at cost, unless the market value of temporary investments has declined below cost, in which case they are written down to market value. Investments consist of guaranteed investment certificates.

(e) Funds held in trust

Funds held in trust on behalf of First Nation members by the Government of Canada in the Ottawa Trust Fund are reported on the consolidated statement of financial position with an offsetting amount in accumulated surplus. Trust moneys consist of:

- Capital trust moneys derived from non-renewable resource transactions on the land or other First Nation capital assets; and
- Revenue trust moneys generated primarily through land leasing transactions or interest earned on deposits held in trust.

#### 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (f) Tangible capital assets

Tangible capital assets are stated at acquisition cost or deemed cost less accumulated amortization and are amortized over their estimated useful lives on a straight-line basis at the following rates and methods:

Infrastructure	20 years	straight-line method
Band/Social housing	20 years	straight-line method
Boats	10 years	straight-line method
Motor vehicles	5 years	straight-line method
Computer equipment	5 years	straight-line method
Playground	10 years	straight-line method
Photovolt systems	15 years	straight-line method
Housing betterments	10 years	straight-line method
Equipment	5 years	straight-line method

Tangible capital assets are written down when associated output indicate that they are no longer contribute to the band's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Tangible capital assets under construction, development or acquired during the year but not placed into use are not amortized until they are available to be put into service.

All intangible assets and items inherited by the right of the First Nation, such as reserve land, forests, water and mineral resources, are not recognized in the consolidated financial statements.

#### (g) Revenue recognition

The First Nation recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the First Nation recognizes revenue as the liability is settled. Transfers of nondepreciable assets are recognized in revenue when received or receivable.

The First Nation recognizes revenue of the Capital and Revenue Trust Fund at the time funds are contributed from the accounts held in Ottawa. Interest revenue is recognized when earned.

CMHC revenue is recognized as it becomes receivable under the terms of the applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period are reflected as deferred revenue on the consolidated statement of financial position in the year of receipt.

Rental revenue is recorded in the year it is earned. At the end of each year management evaluates whether rent revenue is collectible and records a bad debt expense and allowance for doubtful accounts for those amounts designated as unlikely to be collected.

Other revenue is recognized when performance is completed, amounts are measurable and collection is reasonably assured.

## 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (h) Reserve Funds

Reserve funds represent the replacement and operating reserve funds required under the terms of the agreement with Canada Mortgage and Housing Corporation.

#### (i) Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets.

#### (j) Measurement uncertainty

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

#### (k) Financial instruments

T'Sou-ke First Nation's financial instruments consist of cash, investments, accounts receivable, bank indebtedness, accounts payable and accruals, and long-term debt. It is management's opinion that the First Nation is not exposed to significant currency or credit risk arising from these financial instruments. The fair value of the instruments approximates their carrying values, unless otherwise noted.

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the First Nation manages exposure through its normal operating and financing activities. The First Nation is exposed to interest rate price risk on its loans with fixed interest rates and on its investment portfolio consisting partially of fixed income securities.

#### (I) Segments:

The First Nation conducts its business through a number of operating segments. These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives, to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements.

### 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

## (m) Net financial assets

The First Nation's consolidated financial statements are presented so as to highlight net financial assets as the measurement of consolidated financial position. The net financial assets of the First Nation is determined by its financial assets less its liabilities. Net financial assets combined with non-financial assets comprise a second indicator of consolidated financial position, accumulated annual surplus.

### 3. INVESTMENTS

Investments consist of the following Guaranteed Investment Certificates (GIC).

	-	2024	 2023
GIC with maturity date on April 10, 2023 and earning interest at 1.5% per annum. This GIC is non-			
redeemable.	\$	1,161,664	\$ 1,122,382
GIC with maturity date on January 07, 2025 and earning interest at 4.3% per annum. This GIC is redeemable.		535,531	522,400
GIC with maturity date on November 25, 2024 and earning interest at 4.6% per annum. This GIC is redeemable.		1,101,500	-
	\$	2,798,695	\$ 1,644,782

Net income (loss)	-	543,140		543,140	746,307

Starting January 01, 2022, the business operation under Daxet Development Corporation was moved to Qemqomet Development Limited Partnership. As of the date of the Independent Auditor's Report, the audited financial statements from January 01, 2022 to March 31, 2024 for Daxet Development Corporation and Qemqomet Development LP, were not available. Therefore a qualified opinion has been issued in relation to these two business entities.

In the current year, TXIT Oysters Limited Partnership (with TXIT Shellfish Corporation as the General Partner), operating as TXIT Oysters Farm received the Nation's initial investment in the form of farm equipment and other related assets. Full operation is expected in the coming fiscal year.

There have been no significant events or transactions in the current fiscal year for the following business entities:

- Slikel Environmental Corporation
- Thuna Meh Mun-Ah Holdings Inc
- Xa'xe Temexw Holdings Ltd.
- Neka Sol Woodlot Limited Partnership

## T'SOU-KE FIRST NATION Notes to Consolidated Financial Statements

## Year Ended March 31, 2024

6.	CASH AND CASH EQUIVALENTS		
		2024	2023
	Unrestricted - Operating Restricted - CMHC Operating Restricted - CMHC Replacement reserve Restricted - CMHC Operating reserve	\$ 13,537,127 238,840 308,681 77,282	\$ 14,736,343 299,672 255,811 143,442
		\$ 14,161,930	\$ 15,435,268

Under the terms of an agreement with Canada Mortgage and Housing Corporation, the Replacement Reserve account funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by the Canada Mortgage and Housing Corporation with any interest earned to be credited as revenue to the Replacement and Operating Fund.

Under the terms of the agreement with Canada Mortgage and Housing Corporation ("CMHC"), excess revenues over expenditures for the Post 1996 phases may be retained in an operating reserve. These funds along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. At year end, the operating reserve was adequately funded.

## 7. OTTAWA TRUST FUNDS

The trust funds arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

## 17. BUDGET FIGURES

The budget figures were not audited nor reviewed but compiled from information provided by First Nation management.

### 18. COMPARATIVE FIGURES

Some of the comparative figures have been reclassified to conform to the current year's presentation.

#### 19. SEGMENTS

T'Sou-ke First Nation provides a range of services to its members. For management reporting purposes, operations and activities are organized and reported by program. Programs were created for the purpose of recording specific activities to attain certain objectives in accordance with specific regulations, restrictions or limitations.

Band - Includes government activities of Chief and Council and band support and membership. It oversees the delivery of all government services including ensuring that adequate policies and procedures are in place to safeguard assets and to properly report financial activities.

Health services - Contains activities that provide medical services to the First Nation members.

Education and training - Includes activities that provide education to the First Nation members for primary, secondary schooling and reimbursement of tuition costs and living and other allowances to students who are attending post-secondary institutions.

Public works - Contains all activities that relate to the maintenance of buildings, road, infrastructure, and land of the First Nation.

Capital projects - Includes major capital projects and activities occurring in the First Nation during the year.

Housing - Includes activities related to the provision of Band owned housing to the members of the Nation and CMHC program housing to the members of the Nation

Schedule 1 discloses the details of the First Nation's Revenue and expenses by segment.

T'SOU-KE FIRST NATION SCHEDULE OF REMUNERATION AND EXPENSES CHIEF AND COUNCILLORS Year Ended March 31, 2024 (Unaudited)

## INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

#### TO THE MEMBERS OF T'SOU-KE FIRST NATION

We have reviewed the accompanying Schedule of Remuneration and Expenses - Chiefs and Councillors of T'Sou-ke First Nation for the year ended March 31, 2024 and a summary of significant accounting policies and other explanatory information (together, the "Schedules"). The Schedule has been prepared by management, pursuant to the requirements of the Department of Indigenous Services Canada and First Nation Health Authority 2023-24 Year-end Reporting Handbook.

## Management's Responsibility for the Schedule

Management of T'Sou-ke First Nation is responsible for the preparation of the Schedule in accordance with the financial reporting provisions in the Department of Indigenous Services Canada and First Nation Health Authority 2023-24 Year-end Reporting Handbook, and for such internal control as management determines is necessary to enable the preparation of the Schedule that is free from material misstatement, whether due to fraud or error.

#### **Practitioner's Responsibility**

Our responsibility is to express a conclusion on the Schedule based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which required us to comply with relevant ethical requirements.

A review of the Schedule in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on this Schedule.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the Schedule is not prepared, in all material respects, in accordance with the financial reporting provisions in the Department of Indigenous Services Canada and Health Canada 2023-24 Year-end Reporting Handbook.

#### Basis of Accounting and Restriction on Use

Without modifying our conclusion, we draw attention to Note 1 to the Schedule, which describes the basis of accounting. The Schedule is prepared to assist T'Sou-ke First Nation to meet the requirements of subsection 6(1) of the First Nations Financial Transparency Act. As a result, the Schedule may not be suitable for another purpose.

### **T'SOU-KE FIRST NATION**

#### Schedule of Remuneration and Expenses - Chief and Councillors

#### For the year ended March 31, 2024

(Unaudited)

#### 1. Definition of Remuneration and Expenses

T'Sou-ke First Nation follows the accrual basis of accounting using the principles of Canadian Public Sector Accounting Standards for this reporting.

Remuneration is defined in the First Nation Financial Transparency Act as any salaries, wages, commissions, bonuses, fees, honoraria, and dividends and other monetary benefits - other than the reimbursement of expense - and non-monetary benefits.

Expenses as defined in the First Nation Financial Transparency Act include the costs of transportation, accommodation, meals, hospitality and incidental expenses. The remuneration and expenses presented above include remuneration paid and expenses reimbursed to the First Nation's chief and each of its councillors, acting in their capacity as such and in any other capacity, including their personal capacity, by the First Nation and by any entity controlled by the First Nation.
